On or about the date of April 27, 2025 in the county of Hidalgo in the State and District of New Mexico, the defendant violated 8.50 U.S.C. § 1325(a)(1)(EWI Misdemeanor), 797(Penalty for Violations of Security Regulations and Orders), an offense described as follows:

Title 50 United States Code 797 prohibits the willful violation of any defense property security regulation. Section 797 defines a "defense property security regulation" as a property security regulation that pursuant to lawful authority

This criminal complaint is based on these facts:

The term "Department of Defense property" means property subject to the administration or in the custody of the Department of Defense. On April 15, 2025, the Department of Interior transferred Federal lands including the approximately 60-foot strip of land contiguous to and parallel with the international border between the United States and Mexico (the "Roosevelt Reservation") in Dona Ana, Luna and Hidalgo Counties in New Mexico to the jurisdiction of the Department of the Army. See Public Land Order No. 7963. On April 18, 2025, the Secretary of the Army assigned the above-described Federal lands to United States Army Garrison Fort Huachuca for use as National Defense Areas (hereinafter NM National Defense Areas). CONTINUATION OF CRIMINAL COMPLAINT

STATE AND DISTRICT OF NEW MEXICO

UNITED STATES OF AMERICA

V.

Luis Alberto HERNANDEZ-Leon

Continuation of Statement of Facts:

On April 18, 2025, the military commander at Fort Huachuca issued a security regulation designating the NM National Defense Areas as both a restricted area and a controlled area under Army Regulation 190-13 prohibiting the unauthorized entry into the National Defense Areas.

On April 27, 2025, when illegally entering the United States from Mexico in Hidalgo County, New Mexico, Defendant Luis Alberto HERNANDEZ-Leon willfully violated the security regulation prohibiting unauthorized entry of property subject to the administration or in the custody of Fort Huachuca by his unauthorized entry into the NM National Defense Areas. In the location in which Defendant Luis Alberto HERNANDEZ-Leon illegally crossed into the United States from Mexico, signs were posted and visible along the NM National Defense Areas stating in both English and Spanish that this is a restricted area and that unauthorized entry is prohibited.

On April 27, 2025, Border Patrol Agents from the Lordsburg, New Mexico Border Patrol Station encountered the defendant in Hidalgo County, New Mexico. The defendant was questioned as to his citizenship to which he stated that he was a citizen and national of Mexico, illegally present in the United States. Agents determined the defendant illegally crossed the boundary between the United States and Mexico on April 27, 2025, approximately two miles east of the Antelope Wells, New Mexico Port of Entry. The defendant did not present himself through a lawful Port of Entry; therefore, he was not admitted or paroled by an Immigration Officer.

Continuation of Statutory Language:

(a)(2)(A) shall be or has been promulgated or approved by the Secretary of Defense (or by a military commander designated by the Secretary of Defense or by a military officer, or a civilian officer or employee of the Department of Defense, holding a senior Department of Defense director position designated by the Secretary of Defense) for the protection or security of Department of Defense property"

(a)(3)(A) relating to . . .the ingress thereto or egress or removal of persons therefrom.
